

Hon. Mr. Issara Sereewatthanawut, Member of the House of Representatives, had been screening tested for Coronavirus 2019, with the Rapid Test Kit Received from Firmer Co., Ltd.

7 January 2021

On Wednesday 6th January, at 15.00 hrs., at the office of Secretary-General of the House of Representatives, 3rd floor, Parliament Building, Hon. Mr. Issara Sereewatthanawut, Member of the House of Representatives had been screening tested for Coronavirus 2019, with the Rapid Test Kit Received from Firmer Co., Ltd. by the coordination of Hon Mr. Suchart Tanjaroen, First Deputy Speaker of the House of Representatives. On the mentioned occasion, Mrs. Pornpit Petchareon, Secretary-General of the House of Representatives, also observed the test of those testing kits, which will be exploited to prepare for the Member of the House who come from the provinces of the highest control, representatives from the highest strictly controlled express their intentions for testing (by the next two weeks) when the House of Representatives resumes its meeting.

This is one of the proactive measures to prevent the spread of the Coronavirus 2019 in the parliament area that have been taken more leverage measures since the beginning of the pandemic. Including the medical screening like asking for the timeline travelling backgrounds of the MPs and taking a thermo-scan to ensure the safety for the upcoming meeting of the House of Representatives.
