

H.E. Mr. Chuan Leekpai, President of the National Assembly and Speaker of the House of Representatives expressed his deep concern about the people who are facing this crisis due to the intense and severe widespread of Coronavirus (COVID-19) found in Bangkok and inland

25th June 2021

Due to the intense and severe widespread of Coronavirus (COVID-19) infection and transmission found in Bangkok and inland, H.E. Mr. Chuan Leekpai, President of the National Assembly and Speaker of the House of Representatives, expressed his concern about the people who are facing the crisis. Therefore, he would like everybody to support all workers and medical staffs, who have sacrificed their strengths and minds to work for the people and also asked everyone to be a part in preventing the spread of epidemic, as well as, invited the people to protect themselves by wearing face masks. Because wearing a face mask is the important measure to protect the spread of Coronavirus (COVID-19) at the highest level and can reduce the number of infected persons effectively.
