

Hon. Mr. Natchanon Srikokuea, Member of the House of Representatives, Bhumjaithai Party, Gave a Statement

6 October 2020

On Tuesday 6th October 2020, at 12.20 hrs., at the Press Conference Room, 1st Floor, Parliament Building, Hon. Mr. Natchanon Srikokuea, Member of the House of Representatives, Bhumjaithai Party, expressed his statement to encourage the government and related persons in solving the rubber problems and also said that Member of the House of Representatives under Bhumjaithai Party has contributed to solve the rubber price crisis. In the past, the slump of rubber price was the cause of agriculturist's suffer but nowadays the price has been higher accordingly. On this occasion, he would like to thank the government of Gen. Prayut Chan-O-Cha, Prime Minister, as well as the Ministry of Commerce, the Ministry of Agriculture and Cooperatives, the Ministry of Transport, the Ministry of Public Health, and also expressed his thanks to the Rubber Authority of Thailand and Prince of Songkla University for inventing the innovation of value added on rubber.

Particularly, the medical research on artificial fistula, and rubber products which are produced to be the medical devices, and those who are involved in all sectors are also to be appreciated in the mentioned matter. For the recent price of rubber, the price of concentrated latex is 51 baht per/kg., good quality raw rubber sheet price is 55 baht/kg. At present, due to the problem of COVID-19 causes higher demand for natural rubber gloves and other rubber products, as a result, the price of the rubber moved higher.
